To whom it may concern,

This is to confirm that international students starting their program in the 2024 Spring Term intake are enrolled in the Health and Dental insurance plan, should they meet the eligibility requirements, and have not voluntarily opted-out of the plan prior to the opt-out deadline. The plan is available to students enrolled at NorQuest College through their membership with the Students' Association of NorQuest College (SANQC). The plan provides Health & Dental coverage for eligible* students for a 12 month period.

***Note: Non-credit programs are not included in this coverage**

This coverage will begin from the 1st day of the month in which their opt-out deadline occurs. The opt-out deadline is set for 14 days after each students' class start date. For example, students with a class start date of May 6th, 2024 will have an opt-out deadline of May 20th, 2024 and will receive benefits starting May 1st, 2024. Students can learn more about the Health & Dental eligibility enrolment criteria [here: www.sanqc.ca/services-offered/health-dental/](http://www.sanqc.ca/services-offered/health-dental/).

Students who are traveling before their start date, are encouraged to arrange a separate insurance plan for the period preceding the plan arranged by SANQC. The International Emergency Health Insurance is found www.mystudentplan.ca/norquest/en/international and is available for purchase for students in credit or non-credit programs.

Should you have any questions, please email SANQC here: Students.Association@norquest.ca
