

## 2018-19 Course Fees

### Program and Supplies Fee

This fee includes materials and supplies that are essential to the completion of a course and are supplied by the college to the student. Fees vary by course, and are assessed upon registration.

### Textbook Rental

Textbooks are loaned to students in academic upgrading programs and employment preparation programs during a term, and a mandatory book rental fee (includes GST) is assessed upon registration.

**Note:** The majority of NorQuest courses are not subject to a textbook rental fee. Some textbook rentals are charged at the program level. Refer to the 2018-19 Tuition and Fee Schedule for more details.

*The fees outlined in the table below are course specific.*
