

## **Chartered Professional Accountants LLP**

We are a local medium sized public practice accounting firm and an approved training office for CPA students. Our firm has been successful in the western Canadian business community for over 45 years by being committed to providing the financial services needed in today's world. Why? Because we have responded to our clients' needs as well as our employees' needs.

We provide comprehensive accounting, taxation and audit & assurance services to our clients. Our client base is very diverse from small to large sized owner managed businesses, professional corporations and not-for-profit organizations, and as a result, we have the opportunity to provide service which makes a real difference in the success of our clients and offers interesting and challenging opportunities for our employees.

Ready to join our team? Come, learn and excel with our talented people. We strive to be the best by demanding and delivering excellence, by providing interesting, challenging work and opportunities for personal and professional growth.

We are looking to hire 2-3 individuals enrolled in the Business – Accounting Technician Program to commence employment as early as July of 2019.

We are looking for an energetic, vibrant individual to complement our existing team, someone who enjoys a fun, productive and satisfying working environment. Personal and professional growth is a priority and working with diverse and interesting clients is the norm. We need someone who enjoys sharing their knowledge, someone who is striving to achieve great things for themselves by helping to achieve great things for their clients.
