1. Available to TELUS Mobility customers who purchase qualifying TELUS Home Services product(s). A \$10/month discount will be applied to the Home Services bill for 24 months (or as long as the eligibility requirements are met). Eligible Home Services products include TELUS Home Internet 15 and higher, Optik TV, Home Phone or combination thereof. Offers subject to change without notice. Available to residential customers who have not subscribed to TELUS Internet service in the past 90 days. Offer includes TELUS PureFibre Gigabit Internet. From months 1-24 a \$15/mo discount applies. From months 1-24, an additional \$35/mo discount applies with the use of promo code "DCC6650". Regular price, currently \$125/mo, applies after the 24-month term. All prices do not include applicable taxes. \$0 Unlimited data offer is only available to customers signing up on a 2 year internet service agreement. Regular pricing (currently \$20 for Unlimited Data add-on) applies at month 25. Minimum system requirements apply. Minimum system requirements apply. Final eligibility for the services will be determined by a TELUS representative. A cancellation fee applies to the early termination of your internet service agreement, which will be the sum of \$360, declining by \$15 for every month of internet service and reducing to \$0 at the end of your 2 year term. Rental equipment must be returned in good condition upon cancellation of service, otherwise the replacement cost will be charged to the account. Maximum speeds require optimal network conditions on a wired connection. Internet access speeds may vary depending on location, usage within the home network, internet traffic, applicable network management or server configurations. Concurrent data streams, including combinations of uploads and downloads, may be required to access maximum speeds.

2. Traditional copper wire or copper wire hybrid networks are subject to capacity constraints and environmental stresses that do not affect TELUS fibre optic technology, which is based on light signals. Not available in all areas.
